## ABOUT THE EVENT

The conference is a unique opportunity to gain access to the top leadership of China with respects to their thoughts and plans for blockchain and cryptocurrencies. Helmed by the Beijing International Council for the Promotion of Cultural Trade under the Ministry of Commerce, China, the forum will bring together 150-200 leaders from organizations such as the State Council of the People's Republic of China, People's Bank of China, Institute of Finance, and many more to share their thoughts on the subject.

## OUR VISION

Our vision is to become the bridge between corporations and businesses that are yet to embrace blockchain, the existing blockchain businesses and community. Assisting them to cross from one side to the other through connecting businesses with information about blockchain, listening to case studies and studying applications of blockchain. We seek to mainboard blockchain an increase its reach in the economy.
